IN THE NEWS

Free vascular screenings in September

The annual Legs for Life® screenings will be conducted across the country during the month of September. Most locations provide free screenings for peripheral arterial disease, abdominal aortic aneurysms, and carotid and venous disease. Screening locations will be posted in August at www.vdf.org, legsforlife.org or vascularweb.org.

Annual AARP Life@50+Convention

Join us in Boston, MA, on September 6-8. VDF board member Dr. Michael Jaff will provide an interesting presentation on PAD and circulation. We hope to see you there!

VDF's Annual Report

Thanks to all of our donors and supporters, VDF had a great year in 2006! If you want to read about it, please contact us at 888.VDF.4INFO to get your free copy of the 2006 Annual Report

Web site

VDF has recently improved our Web site! Check it out at www.vdf.org.

Grants Renewed

VDF is pleased to announce that **Bard Peripheral Vascular** and **W.L. Gore and Associates** have renewed their grants. These grants are multi-year unrestricted grants and will help VDF continue to increase awareness and provide education about vascular disease. We greatly appreciate this support.
